HUBBA-BUBBA!

I just wanted to write in to thank you guys for printing the pictures of the reader's girlfriend Zoe in this month's issue (36.05). As well as a gorgeous face and a fit as fuck body, the real highlight for me was her fantastic bubble-gum pussy lips! I've always loved girls with something to nibble on down there, and Zoe's cleanly-shaven pussy is one of the best examples I've seen in ages! That picture of her on page 55 has been getting quite a bit of attention here over the last couple of weeks, I can promise you!

Keep up the good work!

Gavin, Stoke.

I'm not really the type to fuck around behind my wife's back – although I was pretty sure I'd make an exception for Vicky, should the opportunity ever arise!

As we chatted, Vicky asked me if I fancied a dance, and while I certainly did, I told her I'd have to pass, thanks to a thigh injury I'd picked up playing football a couple of weeks earlier.

She looked at me for a moment before saying, "I've just started working at a beauty salon in town – if you come along next Monday I'll be able to give you a special

aromatherapy massage that should help your thigh."

I don't know whether it was her use of the word 'special' that aroused my interest, but either way, there was no chance of me turning down an offer like that, and Vicky's eyes seemed to twinkle as I told her I'd definitely be there.

For the whole of the following week I couldn't think about anything apart from Vicky's pretty face, sexy legs and curvy little bum – I

swear my cock was never soft for more than about

10 minutes before I remembered our appointment the following Monday. In fact I was so nervous with excitement I'm sure my wife thought I was coming down with something!

After the longest 8 days of my life, the Monday morning finally arrived, and I presented myself at the salon, where I was shown into a private treatment room by the middle-aged

LIFE IMITATING TART

I couldn't believe it when my latest *Club* arrived last week – the girl in there called Ashlyn looks just like my current girlfriend Gabby! I had to do a really close inspection (both of Ashlyn and Gabby) before I was able to convince myself it wasn't her – Gabby's got a couple of moles that I couldn't find in the pictures! Now I'm in a bit of a quandary, I want to show Gabs the magazine, but I'm not sure how she'll take the news that I get *Club* every month...

Jamie, Reading.

If your girl looks anything at all like Ashlyn you're one lucky bugger, but if you want to show her the pics, why not pretend a mate gave you his copy because he'd spotted the similarity? We bet she'll love it! – Ed.

A-BONER-THERAPY

I was at a family wedding earlier this year, having the same polite but boring conversations with family members I hadn't seen for years, when I bumped into my wife's younger cousin, Vicky. She's only 22, but has always been on the flirty side with me. She has shoulder length brown hair, greeny-blue eyes, full sexy lips and a body that would make any grown man drool – the sight of her fit little arse wrapped in the thin dress she was wearing that day was probably enough to give even the vicar thoughts of bending her over and giving her what for from behind!

Anyway, as I said, whenever I spoke to Vicky she was always pretty flirty, although I was never really sure if she was just cock-teasing. To be honest I suspected the former, because

receptionist, who told me to undress and lie face down on the table and cover my lower half with a towel, adding that Vicky would be with me in a few minutes. I did as I was told and lay there, an unwanted stiffy pressing into me, for about five minutes before my sexy cousin-in-law walked in. She looked a million dollars, in a formal looking tight white tunic that came down to the tops of her bare, tanned thighs, while her juicy tits pressed against her tight top, seemingly eager for release.

After exchanging a few pleasantries Vicky told me to put my head down and relax, which was easier said than done. She started by massaging the backs of my legs, rolling up the towel as she went along until it felt like it was barely covering my arse. I was pretty sure she must have a good view of my bollocks, and I was desperate for her to massage them, so I gently allowed my legs to fall open slightly further to make it easier for her – but her hands always came short as she worked on my upper thighs. Only once did her finger brush against my ball-sac, and I couldn't help giving a sigh of pleasure, but much to my frustration it didn't happen again. Then she covered my legs with the towel and moved up to massage my back.

“Only once did her finger brush against my ball-sac, and I couldn't help giving a sigh of pleasure...”

“Oh well,” I thought, “so much for that!”

While she'd been doing my legs my cock had been rock hard, but now she started on my back and shoulders I was soon completely relaxed, and the old man followed suit. So I'd got the wrong idea – but at least this was still a damn fine massage.

Once she'd done my back she told me to turn over, even holding the towel up so I wouldn't be exposed to her, which rather reinforced the idea that I was in for an ultra-professional massage. Now I was on my back I had a better view of the room, and also of Vicky, who had her back turned to me and was bending over preparing some more oils, which gave me a great chance to eye up her perfect, long tanned legs running all the way up to the sweet outline of her arse cheeks, which her uniform barely concealed. Looking back over her shoulder, I'm sure she caught sight of me ogling her, and she smiled and asked me how I was enjoying it so far.

I croaked that it was great, thanks, hoping that she wouldn't notice the swelling of another enormous hard-on under the heavy white towel!

She set to work on the front of my legs, easing the towel further

PROTECT AND SERVICE

We'd love Sonia to cop a load of what we've got ready for her...

PHOTOS: VLT

OK, so the whole idea of *Club International* is to publish spreads of the cutest girls on the planet, so we're always up to our necks in tip top talent, but there's something about Sonia Red here that brings a special lump to our trousers whenever we get her in for a shoot.

Maybe it's the fact that, when you get up close to her, she's actually very petite – nothing at all like the Amazonian Brigitte Nielson in the film that surely inspired her modelling name. Little Sonia here might be feisty, but she's barely 5 foot 4 inches in those heels and doesn't really seem the type to be running around slaying dragons in improbable fantasy armour. No, Sonia, with her delicate, petite build, is the sort of girl you want to put your arm around and protect from all the harder realities of life. All, that is, except for the extremely hard reality we always seem to find in our boxers whenever she's around... ♣

DOWN THE WIRE

What's been keeping Club's network of global correspondents busy this month?

YOUR LEGS IN THEIR HANDS

A gallant Swedish police officer recently endured four operations at a private clinic in Gothenburg to rectify a birth condition that made one of his legs shorter than the other, only to learn from idiot surgeons that they had cut too much off the longer leg, so that it is now considerably shorter than the other short one.

A FARE DEAL

Australia's Queensland Rail agency has been kind enough to offer refunds to passengers on a Cairns-to-Brisbane train which crashed just outside Cairns. However, the agency still says that it refuses to pay fare refunds to the survivors of a November 2008 Brisbane-to-Cairns train crash that killed two and injured a further nine.

The difference, according to a Queensland Rail general manager, is that the 2009 trip was just getting underway from Cairns when it crashed, but that last year's trip, also near Cairns, was "95 percent over" by the time the fatal crash occurred. Consequently, the survivors had basically reached their destination, and maimed, dead, or not, they had all had their money's worth.

BEETLES ARE THE FIRST STEP IN TECHNO-APHID-ATION

In a move eerily reminiscent of the modus operandum of fictional *Star Trek Next Generation* entities The Borg, who press-gang other species to join them by forcibly incorporating biological thingies with mechanised and technological components which make individuals do the will of the hive mind, University of California researchers on a Pentagon contract have announced success in rigging a live flower beetle with electrodes and a radio receiver to enable scientists to remote-control the insect's body, flight and eye movements.

Pulses sent to the bug's muscles or optic lobes oblige it to take off, turn left or right, or hover. The poor beetle – almost certainly the first recruit in future squadrons of hijacked bugs – also carries a tiny camera, allegedly giving the beetle military uses, such as "surveillance" or "search and rescue". Researchers admit that they abandoned attempts to mimic nature by developing robot beetles when they realised they couldn't improve on the

up my thighs as she went, until once again I could feel

fresh air on my ball-sac. As before, her fingers ran close to my balls, but again, there was only one seemingly accidental brush against them. This time, though, I was able to eye up her sexy young body as she worked, making my stiffy ache even more as the top of her bra-less tits hung invitingly before my eyes. To be honest, by this stage I thought I was going to go round

the bend!

Finally she finished my legs, and said, "I'll just do your chest and stomach – it's really good for the digestion."

Standing behind my head, she leant over me to roll the towel down my stomach, and I gulped as her firm boobs brushed against my face. Suddenly she let out a little yelp of surprise as she rolled the towel further,

MAGS RULE!

I hadn't bought an adult mag for a while (too lazy – the internet etc.) but I was away from home for a few days last month and, just for old time's sake I picked up the latest *Club* when I stopped at a service station. Wow – I'd forgotten just how much better it is to flick through a shiny new magazine in comfort than it is sitting at a computer desk trawling for filth! What a fantastic selection of girls, too! We all know how hot Stella is, but I've given just as much attention to Beth, Monica, Evelyn and the others, and now I can't want to pick up the next issue – I even quite enjoyed the thrill of buying it!

Alan, via email.

We do our best! Don't forget though, a digital version of *Club* can be found at www.magazinesondemand.co.uk. And if you take out a subscription, you get the first 3 issues

AUTO EROTIC!

Interested in motors? Got a (smallish) coffee table? Then why not match the two up with Dorling Kinsey's *The Illustrated Encyclopedia of Extraordinary Automobiles* (£12.99), which celebrates 150 of the world's most eye-catching cars? They're not all racers (although there's plenty for the speed merchants) – so aside from the Deloreans, and Ferraris there are plenty of oddities thrown in as well, like BMW's bubble car and Reliant's barking Bond Bug. Our fave, though, is the astonishing Alfa Romeo BAT (left) – who the fuck wouldn't want one of them?!

revealing my throbbing eight inch erection. I stammered some sort of apology.

"It's fine," she giggled, "it happens all the time with you guys. At least I know you're enjoying yourself!" And with that she covered it up again and began massaging my chest and stomach, her hands occasionally brushing against the sides of my cock as she ran them under the towel. Again I apologised, but again she told me not to worry, adding that she only wished she could get a massage herself as enjoyable as the one she was giving.

Placing a hand on the back of her leg, I told her I'd be more than happy to reciprocate, but she didn't say

IN THIS MONTH...

DANCE & DEFECTION

48 YEARS AGO – NUREYEV DEFECTS

1961: High-kicking gay ballet superstar Rudolf Nureyev, fearing, with some reason, that the KGB distrusts his commitment to the communist party, quite literally prances into the arms of fawning French officials in Paris and defects in tights and tutu while on tour there with the Kirov Ballet.

Resolutely scornful of the wrath of the Kremlin, Rudolf has a fab time in the West for three decades, as does his boyfriend Erik. He even returns to Russia briefly in 1989 to visit his old dutch with the official blessing of President Mikhail 'Gorbachev' Gorbys.

It all ends sadly, however, when Rudolf winds up perishing of AIDS... an even more terrifying acronym, it turns out, than KGB.

TECHNOLOGY & COMPUTING

11 YEARS AGO – WINDOWS 98 POPS UP AND NAGS

1998: Bill Gates launches Microsoft Windows 98, the first computer operating system from Microsoft to make grown men around the world sit for hours in front of the blue screen of death on their computers and sob uncontrollably.

Later he will occasion thousands of suicides, shootings and broken marriages with the first edition launches of Windows Millennium, Windows 2000, and Windows XP, which will send all the blokes Bill made sob

with Windows 98 completely over the edge into frustrated shit PC operating system lunacy – or to the nearest Apple Mac shop.

INTERNATIONAL POLITICS

17 YEARS AGO – MR POTATOe HEAD SHAMES DADDY BUSH

1992: In the course of a spelling bee at a Trenton, New Jersey elementary school, infamously stupid and arrogant U.S. Vice President Dan Quayle corrects a little kid's spelling of the word "potato", stressing that the word should have an "e" at the end.

It is only after this incident is screened on news bulletins in America and Britain that the West realises that a congenital idiot is only one heartbeat away from the US presidency, and starts to take an interest in George Herbert Bush staying healthy.

Little does the world suspect that eight years later an even more feckless and dangerous congenital idiot will be no heartbeats at all from the presidency.

ACTING & BOX OFFICE OPPORTUNITIES

48 YEARS AGO – K-19 SUBMARINE MELTDOWN

1961: Russian submarine K-19's nuclear reactor starts leaking, providing much-needed acting work for an ageing Harrison Ford and numerous other thespians whose homes and kids' college tuition fees were paid for by their being cast four decades later in the blockbuster disaster flick *K-19 The Widowmaker*, a 2002 movie which has been shown at least twice a week on Film Four for the past X number of years and we're thinking maybe Film Four should buy some bloody new films in, or finance some, or something.

CINDY

NATURAL BORN THRILLER!

Reckon you could give this cock-mad cutie an entire night of passion?

PHOTOS: JACK HARRISON

Some girls look brainy, some girls look interesting, and some girls look like they were born to fuck. Cindy here, in case you hadn't noticed, falls squarely into the last category.

"Hey, are you trying to say I'm not brainy or interesting!?" she protested, when we pointed this out to her during the shoot.

Not in the least – we certainly find you extremely interesting, and we wouldn't wish to disparage your intellectual abilities one jot. For all we know you could have travelled the world and have double honours in astrophysics and brain surgery from Cambridge and Harvard – it's just that, fundamentally, we reckon the thing you do best in the world is good, old-fashioned, dirty sex!

"Ah, you might have a point. As far as I'm concerned, there's nothing better than getting my pussy all juiced-up and sliding it down over some willing stud's pole. If I could find someone who was up to it, I'd happily fuck all night long. I managed four hours with a guy once, but I was still up for more when he was completely clapped out!"

Is that so? Well, we'd be more than happy to give it a go and see if we can keep you satisfied for a whole night.

"Really, you think you could do it all night long?!"

Well, we're not making any promises, but the first couple of minutes should be great! ♣

FILM STAR DATING ADVICE: HOW TO PROFILE YOUR WAY INTO SOMEONE'S KNICKERS WHILE LOOKING INCREDIBLY SOULFUL AND SOLEMN

LANCE HENRIKSEN a.k.a. FRANK BLACK from MILLENNIUM

My name's Frank Black, I'm a former profiler with the FBI and nowadays, subsequent to two mental breakdowns brought on by confronting Evil, I consult for the Millennium Group, a body made up of freelance ex-law enforcement experts and people with low-rent special abilities: e.g. none of them can fly, or travel through time or walls.

I see what the killer sees.

It's my gift.

One of the things I never talked about on the show is that I sometimes see what a woman looks like naked. And not all of the women I see in this fashion are dead or decomposing. It's just a brief flash of insight: a series of shocking images. A tit, for example. Her bush, if she has one. The back of a well-turned calf.

I see what the potential boyfriend sees.

Fact is: I'm convinced that most other men have this gift, but in a raw, disorganised state. They need to develop it. They need to develop the ability to see beforehand, in their mind's eye, as I do, what a woman looks like under her clothing, to check for things that might put someone off if they were to have sex with them, such as flat, droopy breasts, a spotty arse, or, most importantly whether or not they've got crabs or STDs. Terry O'Quinn, who plays my colleague, Peter Watts, knows how to do this too.

It's one of the abilities which, after

Millennium finished its run, got him cast as a super soldier in *The X-Files* and one of the stars of *Lost*.

Another thing the reader ought to know, in order to survive out there on the dating scene, is how to profile women. Profiling is a big subject, much too big to go into here, but what I can tell you about the female you ought to be out there looking for is this:

The subject will be between 19 and 40 years of age, voluptuous and fairly tall, with good bone structure, terrific curves, and splendid tits. Mentally, she won't be the sharpest pencil in the drawer, but she'll have an unusually high sex drive, and be easy to control in bed.

I hope that helped. That's as much as I can tell you at the present time. If you have any difficulty putting all these traits together to form a mental image of your dream woman, just imagine my wife, Katherine Black, who went off by herself to die in the woods the night my hair turned white.

Also, that blonde bit, Lara Means, who said "Here's my thing" all the time, was an out-and-out hottie. These are the sort of victims – excuse me – women that you should be aiming for.

to run her tongue up and down my length. She also took a good bit of time sucking on my balls – something which my wife has never done – before finally taking my throbbing bell-end into her eager young mouth. All the while I was lapping away at her sopping wet mound and occasionally rimming her delicious little arsehole, poking my tongue up as far as I could and making her squirm with excitement.

After few minutes of this she stopped, climbed off and walked round the side of the table before getting back on, this time facing me. Taking my hardness in her hand, she guided it into the warm confines of her slippery pussy before commencing to ride me, slowly and rhythmically. Reaching up, I unbuttoned her tunic, letting her pointy tits bounce free. As her rhythm picked up she leaned forward, allowing me to tease her stiff nipples with my tongue and teeth while slipping a hand round behind her to play with her arsehole, which drove her wild. I could tell she was about to come, and all of a

“She did her best to stifle her moans as she came uncontrollably, the contractions of her cunt gripping my cock deliciously”

sudden her eyes rolled back in her head and she did her best to stifle her moans as she came uncontrollably, spasming all over, the contractions of her sodden cunt gripping my cock deliciously.

When she'd finished coming I was all set to slam my cock into her and fill her with my seed, but she suddenly climbed off me, telling me she wanted to taste my spunk in her mouth. She didn't have much work to do, slipping her pretty lips back over my helmet and sucking gently on my oily prick, slurping off her own juices while stroking my shaft with both hands for half a minute or so before I could hold back no longer. I tensed all over as I felt a thick jet of my creamy come shoot into her mouth, followed by another and another. I'd been saving this up for over a week, but she managed to take it all, greedily swallowing it down before licking my throbbing cock clean! After that we cuddled up for a bit before getting straightened up.

I've been back to have my 'thigh' massaged a couple of times a month ever since, and I've been getting all sorts of sympathy from the wife about how it must hurt. I haven't mentioned, though, that it's her sexy young cousin who's been doing the massaging!

anything, and just carried on working on my chest.

Slowly I slid my hand up her leg, massaging as I went, until it was under her tunic, where I made contact with one of her pert little cheeks. Far from protesting, Vicky let out a breathy sigh, her face reddening as my hand continued on its journey towards her panties.

After what felt like an age I reached them, and slipped a couple of fingers inside, desperately seeking her tight little fanny. By this stage all pretence was finally over, and Vicky left off my chest and moved her hands down to my aching cock and balls, grasping my thick shaft and

slowly wanking it with one while softly rubbing my balls with the other.

I was also using both hands now, and slipped off her pink panties to reveal the sexiest little arse I'd ever seen. She was bent right over me now, going to town on my cock and giving me the perfect view of her cunt and little rosebud of an arsehole. I couldn't resist leaning up a bit and running the tip of my tongue over her bumhole – which made her squeal – and then on to her juicy pussy. Her hard little clit tasted so sweet as I nibbled on it, and Vicky straddled my face properly then, at the same time wiping the oils off my cock with the towel and starting

WHAT'S SHE LIKE? Sex!

**WHY DID YOU WANT TO APPEAR
IN CLUB INTERNATIONAL?**

I used to go out with a guy who was a regular reader, and we liked to flick through the mag together before we had sex. It slowly dawned on me over the months that the thought of appearing in the mag was really turning me on, so here I am!

**BUT NOT WITH THAT
BOYFRIEND IN TOW?**

No – apart from the sex – and the love for *Club!* – we didn't really have that much in common, so we went our separate ways. Still, even after we split up I was still fantasizing about appearing, so a couple of months ago I took the plunge.

**AND IS IT AS EXCITING AS
YOU'D EXPECTED?**

Well, it's actually very different from how I'd imagined. It's much more professional! I thought everyone would be ogling me, but there's a lot of technical stuff to do with lighting and stuff!

**DON'T WORRY – THERE'S
PLENTY OF OGLING GOING ON!
AND THAT'S BEFORE YOU'RE
SEEN BY THE READERS.
TALKING OF WHOM, HAVE YOU

Umm, nothing really – except I hope you all enjoy looking at these pictures as much as I did having them taken. Please write in if you do! ♣

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: www.lovemilfs.uk

BART'S HOSPITAL

Brenda goes to the Doctor.
"Doctor, I think I'm slowly going deaf."

The Doctor gets out his notebook and says,
"Can you describe the symptoms for me?"

"OK," she replies,
"Homer's quite fat and Marge has got blue hair."

Pete, Slough.

PLAYING A ROUND

A married man was having an affair with his secretary. One day, their passions overcame them and they took off for her house, where they made passionate love all afternoon. Exhausted from the wild sex, they fell asleep, awakening around 8pm. As the man threw on his clothes, he told the woman to take his shoes outside and rub them through the grass and dirt. Mystified, she nonetheless complied. He slipped into

"God I hate Wimbledon fortnight."

his shoes and drove home.

"Where have you been?" demanded his wife when he entered the house.

"Darling, I can't lie to you. I've been having an affair with my secretary and we've been having sex all afternoon. I fell asleep and didn't wake up until eight o'clock."

The wife glanced down at

his shoes and said, "You lying bastard! You've been playing golf!"

Joel, Nottingham.

KEEP ON TRACKIN'

Three blondes were walking in the forest one day. They saw a set of tracks and started arguing over what kind of tracks they were.

The first blonde said, "I think they're deer tracks!"

The second blonde said, "I think they're dog tracks!"

The third blonde said, "Well, I think they're cow

tracks!"

They were still arguing when the train hit them.

Rob, Kilmarnock.

COOK LEFT AND RIGHT

A wife was making a breakfast of fried eggs for her husband. Suddenly, her husband burst into the kitchen.

"Careful," he said. "Put in some more butter! Oh my GOD! You're cooking too many at once. TOO MANY! Turn them! TURN THEM NOW! We need

more butter. Oh my GOD! WHERE are we going to get MORE BUTTER? They're going to STICK! Careful... CAREFUL! I said be CAREFUL! You NEVER listen to me when you're cooking! Never! Turn them! Hurry up! Are you CRAZY? Have you LOST your mind? Don't forget to salt them. You know you always forget to salt them. Use the salt. USE THE SALT! THE SALT!!! THE SALT!!!"

The wife stared at him. "What in the world is wrong with you? You think I don't know how to fry a couple of eggs?"

The husband calmly replied, "I just wanted to show you what it feels like when I'm driving."

Stuart, Croydon.

NAMED AND SHAMED

A young man called directory enquiries. "Hello, operator, I would like the telephone number for Mary Jones in Telford, Shropshire."

"There are multiple listings for Mary Jones in Telford," the operator replied. "Do you have a street name?"

The young man hesitated, and then said, "Well, most people call me Ice Man."

Toby, Staffs. ♣

PRINTS CHARMING!

On their first night together, the newlyweds are in the bridal suite. The new bride comes out of the bathroom, all showered and wearing her beautiful robe. Her husband says, "My dear, we are married now, you can open your robe."

The beautiful young woman opens her robe, and he is astonished.

"My word," he exclaims, "you are so beautiful. Let me take your picture."

Puzzled, she asks, "My picture?"

He answers, "Yes my dear, so I can carry your beauty next to my heart forever."

She smiles and he takes her picture, and then he heads into the bathroom to shower.

**PRIZE
JOKE!**

He comes out wearing his robe and the new wife asks, "Why wear a robe? We are married now, after all."

At that the man opens his robe and she exclaims, "Oh, let me take a picture."

He beams and asks, "Why?" She answers, "So I can get it enlarged."

Ryan, Colchester.

KELL'S BELLES!

Okay, belle. Okay, Lucy. But she's a belle. Oh, forget it...

PHOTOS: STEVE COLBY

The worrying thing about ladies that lick other ladies is that there's always an outside chance that they don't like to lick length as well. Taken to its logical extreme, the human race dies out. However, the human race dies out with sexy results, which is better than passing peak oil and then engaging in some Waterworldesque battle for drinking water. In the year 2020. On the moon.

Yup, death by lesbian is infinitely better, which makes Lucy and Kelly here the two lesbos of the apocalypse. Or they would be if they weren't actually huge fans of cock too. So, humanity survives to fight another day, on top of which we still get to see babes like this chowing down on pussy. Isn't life frickin' sweet? ♣

WOULD YA LOOK AT CHEW!

One look at Alexis's juicy little snatch has got us feeling rather peckish...

PHOTOS: STEPHEN HICKS

Second girl of the mag, and a second *Club* debutante! We're good to you sometimes, aren't we? Still, new's one thing, and red hot's another, and we're not interested in one without the other. Alexis here is, as you can see for yourself, about as horny as a pair of mating rhinos. For starters, she's got the sort of face you'd expect to find on a movie star, and a beautiful pert set of boobs, but what's really got interest levels here sky high is that delectably chewy looking pussy! Here at *Club* we spend a good proportion of every day gazing at fannies, so you'd think by now we'd have got a bit jaded – but when something as succulent as Alexis's snatch comes along you really do have to pay it some proper attention. Anyway, we'll shut up now, and let you give it some attention of your own... ♣

SCRUFF JUSTICE!

It sure beats watching ITV...

RATINGS: ★ SHUSH ★★ MUSH ★★★ HUSH ★★★★★ GUSH ★★★★★★ BUSH

ASSLICIOUS (Digital Playground)

After the joys of *Titlicious*, the kind people at DP bring us *Asslicious*. I'm not sure how much this actually differs from their other big bum lines, but let's just say that this battle of the bulges was sufficiently pleasant to make my cock go big and then small again in very quick succession. Alexis Texas' fine arse is much chronicled, but with only one anal scene on her CV, it's sadly underused. Love, put your arse on the line or call it a day. Kelly Divine, by contrast, might not be as much of a marquee name, but she's got a bubbly bum and seemingly enjoys smuggling fat cocks into it too. That's what we're talking about. MacKenzie Pierce isn't shy about what goes in her wrong 'un either, so throw her into the mix, add in the European anal stylings of Andi Anderson and you're on to a winner of a wankfest. ★★★★★

HUSH (Wicked)

What is it with Jessica Drake and her lower-case name? For we journalists, it's a nightmare, as our spell checks keep putting her initials into upper case. But what if she sees that and decides to stop getting her fanny porked on film in protest? We'd feel terrible. There'd be no consoling us, because we love Jessica. We don't fancy American academic bell hooks, for example, who also insists on all lower-case, so we're prepared to suffer her wrath for putting her name in as Bell Hooks. Do your worst! But not for Jessica, no, because she's lush and accommodates penises of all lengths and thicknesses, for which she is paid a fee. Which she's worth. In conclusion: wank to this. ★★

Jack's Pov 15 (Digital Playground)

The only problem with POV porn is that, while it's all well and good to have a top porn chick slobbering knob from my 'point of view', my dick stays resolutely unsucked at the end of it all. Yup, I've watched loads of this stuff, and my cock is always dry once the scene has ended. So, in many ways, the POV element is even more of a tease than normal porn, in that it promises more but delivers less. Still, if you can get over the disappointment of not being in on the action in any meaningful sense – actually, in any sense at all – then *Jack's POV* is the premier line. Tori Black, Faye Reagan and Rio Valentine all on the end of your cock [Editor's note: not actually your cock]? Not to be missed. ★★★★★

NELLA ARTOIS ♣

Reassuringly expensive? Not Nella...

Nella looks like one of those classy chicks who wouldn't give the likes of us the time of day. WRONG!

"I think I'm a pretty cheap date," says the 24-year-old. "I'm not really into Michelin starred restaurants, I'd prefer a quick pizza and then a fumble in the back of the cinema."

You're speaking our kind of budget.

"Well, a date is all about making nice until we get to fuck, right? What's the point in making a song and dance about it? Okay, I might want something special on my birthday, but the rest of the time I'm just waiting to get my lips around your cock, so let's not drag it out. Hell, just take me to the pub and we can do it in the loo."

We'll see you at the Rat & Parrot at 7.30 then, love... ♠

THE CALL OF THE WILD!

When the weather's fine, Casey likes to get out there and go commando!

PHOTOS: EXPOSUREZONE

Casey's a fresh-faced young thing, isn't she? No wonder she looks so at home in the great outdoors – we reckon she looks just the type to spend a good bit of time alfresco.

"Yes, I guess you're right!" she said when we put it to her that she didn't look like she liked being cooped up indoors. "When the weather's nice, who wants to lurk about inside, when there's a great big beautiful world to explore?"

Well we don't know much about exploring, to be honest, although if walking through the woods meant we stumbled across blonde beauties like you stripping off and playing with their pussies we might consider giving it a go more often!

"You should, then! I love the feel of the sun on my skin, and it always makes me horny – doesn't it you?"

Er, now you come to mention it... ♣

KING-SIZE COOZE!

Is there room for another one in Boroka's bed?

Boroka's putting her bed through its paces at:

www.paulraymond.com/club

PHOTOS: SCOTT WARD

We're always happy to welcome back hotties like Boroka, especially if they're going to invite us into their bedroom! That's quite a bed you've got there, B!

"Yes, it's a super king-size! There's nothing better than having a bed that can fit three or four people in it – it gives you so many more options!"

Like what, exactly?

Well, like a spitroast, or a DP – or even getting completely airtight! I've done it all in this bed, and loved every second!"

Lucky we brought our best PJs – this could be quite a night! ♣

ELECTION-SPEARING!

I won't name names, so I'll call him Jack. He's in politics and needed to convince people to vote in a local election, so he got me and two other girls, Jennifer and Hailey, to add some much-needed glamour to his campaign – going door-to-door and stuff like that. By the end of what turned out to be a long, tough week, we all needed to blow off steam. Hailey – she's got a thing for older men – was flirting like mad and there was something about Jack. When he started to get off with her, I got this sudden surge of envy, and grabbed the nearest warm body – Jennifer's!

We stripped each other slowly, kissing and licking each other's exposed skin. Jack and Hailey stopped kissing to watch, but he had a hand inside of her pants and she was rubbing his crotch. His eyes widened as he saw my nipple ring, fingers thrusting harder into Hailey's cunt.

Soon, Jennifer and I were naked and sixty-nining, me on top. Hailey padded over, got on all fours and began to kiss me, just a distraction so she could finger Jennifer's arse. Yeah, we were really going for it straight away.

Jack stripped too – he had a fit, buff body for his age, and a thick, rearing cock. And who'd have thought he'd have smooth-shaved balls under his suit? He got in behind Hailey, made his intentions clear, then shoved in. But all the while he was fucking her, he was looking at me, thinking how it would feel to fill my pussy...

I licked my lips, sucked a finger in to the knuckle and pulled it slowly out, then pointed it at him. He pulled out of Hailey's box and

He squeezed them as his dick penetrated my snatch, and I could feel myself tighten up around it. As I rode him, he kept flicking the ring, then finally got his mouth around my tit so he could tongue it.

The other two girls wanted in on some group fun now, playing with Jack's nuts, guiding his dick in and out my minge. I could feel him get hotter as I circled my arse against his crotch then, suddenly, I felt him shoot deep in my cunt, flooding it with hot, gooey spunk.

I squatted over his crotch,

“I took it right in to the root. Then I just focused on his bell-end, jerking him against my tongue...”

walked over, cock dripping, and I took it right in to the root first suck. Then I just focused on his bell-end, jerking him against my tongue.

I pulled away from the other girls, who were just as lost in each other as I was in blowing Jack. Then he asked me if I wanted his cock inside me. He loved my boobs, in particular my pierced nipple, so I straddled his crotch reverse cowgirl, so he could play with them.

letting it trickle out of my pussy and all over his cock and balls. Jennifer tasted it, first off of her fingers, then right from the well. As I lay back and she started to eat me for real, Hailey dove right in again, lapping creamy white drops from Jack's thighs and stomach, working her way toward his balls and then his dick.

She was soon sucking him, determined she'd get his next load. He let her suck him stiff and then a little more, before asking her to bend over. He toyed with her arsehole, but it was just a tease – he pulled his fingers out, then rammed his dick into her cunt.

I know I squeal when I take it hard from behind, but Hailey was really bringing the house down! Jennifer and I just kept each other bubbling over, enjoyed the show, but as we saw his jizz bubble out all over her slit, we frigged each other to a furious orgasm.

Jack's a good sort and means well, but I don't know how far he's going to get in politics. He's one big scandal waiting to happen – he just can't keep his dick in his suit. Forget election, it's all about the erection! I just hope it's some consolation that he and his cock have avid

supporters in us girls!

REVENGE ROMP!

When I discovered my boyfriend was cheating on me with one of his colleagues, Anna, I confronted her. But she seemed like a nice girl and I believed her when she said he'd lied to her too, so we talked over a few drinks and cooked up a plan for revenge on the dickhead!

We didn't want to do anything too heavy, and it was Anna who had a plan. He'd given her a key to his flat, so we decided to go there, film ourselves fucking and post it online. We thought he might enjoy watching girl on girl, so she talked another of his colleagues into joining us, a bloke named Paul, known for being an extremely randy bugger.

We filmed enough to give him the message, opening with me masturbating on his couch, a big toy rammed in my fanny. Maybe his diamond-cutter hard-on would distract him from the sight of my spike heels against the expensive leather as I fucked myself.

Next, I got Anna to help me out, sucking on my

big tits. We got in a sixty-nine with her working my clit, as she moved her twat against my mouth. We gave him enough time to get into beating off, then Paul joined in, getting in behind Anna, cock poking up and balls swinging right above my face. He wet his fingers in her hole, rubbed it all over his meat, then let me suck on it – then I played it against her slit, telling her to hold on tight, this was one big knob.

Paul fucked her hard, their flesh slapping together above my head, little drops of juice flying all over. I wasn't getting licked now, but my toy was keeping me happy as I fucked myself to the same hard rhythm.

It's a shame that Paul lasted a lot longer than the tape, as it would have been one hell of a cumshot, him pulling out for one last suck before spurting his sperm all over my boobs. He told us to hold it right there, reloaded the camcorder, then zoomed in on a shot of Anna grinding her arsecheeks against my equally round boobs, little stringers of cum stretching between them.

Next, we took the action into the bedroom. The sheets were obviously freshly laundered and we were planning to have some fun messing them up. Anna and I were rolling around on the bed while Paul filmed, then he positioned the camera as we got back to fucking again.

I was stacked on top of Anna in missionary this time, and Paul posed us so her bum was on the end of the bed. This meant he could stand and switch between us, cock thrusting in her cunt then pulling out to dip in mine, then back again.

If Anna was half as wet as me, we'd be soaking the sheets – right now she was taking her turn, shunting back and forth, moaning over my shoulder. I squirmed my bum and Paul pushed into me instead, pubes brushing my crack. Now I told him I wanted him in my arse. I only did anal a few times with my ex. "I feel like such a fucking dirty cow when I take it in my bumhole," I moaned, then gasped as Paul's big, wet prick sunk in and began pumping.

"Yeah, Paul can show him how it's done," Anna said, which just spurred Paul on to do me harder and deeper, as Anna slipped my toy in her own backdoor and stirred it around.

Paul got another extreme close-up of my bum, of the jizz trickling down onto the crisp white sheets. Then he followed me and Anna into the bathroom where he filmed us taking a shower and soaping each other clean again, before I snacked on Anna's snatch.

We posted the best parts on a porn site and emailed my ex the link. He said he almost lost it when he saw us, but had to admire our class. That doesn't mean Anna and me are ever fucking him again – we're finding our fun

elsewhere now, and it's definitely not just with Paul...

PARTY POKER!

Recently my wife and I stayed with her sister after a party, as did one of her sister's female friends – Letitia, a fit and obviously frisky brunette who kept giving me the eye. The missus noticed and, when we went to bed, fucked me like she was marking her territory, splaying herself on my dick and leaving the two of us

"I spanked her arse, which made her clench even tighter around my shaft..."

soaked in cum and cunt-cream.

Usually, this would satisfy me, but it just got me horny for more. Unable to sleep, I went downstairs to grab a drink and found Letitia there, like she was waiting for me. She said she knew I'd got some action, she could smell the sex on me. Then she asked if I wanted some

more. I tried to say I'd always been faithful, but she was already rubbing up against me, hand straying dangerously close to my cock.

I could have stopped her but I really didn't want to. Instead, I put my own hand over hers, and guided her to stroke me off. "Maybe we could just do this," I moaned.

"Maybe..." she said, rolling her eyes.

I knew I'd finish up nuts deep in her, so I stopped fighting it. Now, as she handled my meat, I brought my hands up to squeeze her tits. As I sucked her nipples, her grip tightened. I

could feel the veins in my prick pulse and swell, and when I got a couple of fingers in her snatch she felt so hot and tight.

She was in a playful mood and told me to lie under the table, so I could see through the glass top of it as she squished and rolled her big boobs up against it. I fingered her, then got her to lie down so I could eat her pussy for a bit.

She liked it when I licked her from behind, lapping her cream up her crack to her arsehole. But I wanted more of that tight cunt. She wanked me for a while, then guided me inside of her so we were spooning on the rug. We took it slowly, Letitia reaching back to caress my balls while I groped her tits. Then she started to grind and I thrust harder, ploughing in real deep.

This still wasn't enough, so she got on her hands and knees. Probably the worst position a man's wife or in-laws could catch him in, but I like a little danger! As I banged her I kneaded and spanked her arse, which made her clench even tighter around my shaft.

My balls felt like they could overflow at any second. I knew I was on the brink of cumming, so I pulled out. Letitia moaned and rolled over on her back, spreading wide and rubbing her twat. As the cum shot out of my tip, I rubbed it all over her crease and clit, icing from her mound down to her arsehole and making her orgasm. My dick still throbbing, I pulled her sticky outer pussy lips apart with my fingers, then watched as she gave her clit even more attention, seeing her cunt gape then snap tight as she came again.

I figured I'd better get back to my room before I was missed, but Letitia wasn't finished with me yet. We started petting on the floor and, when she'd got me hard again, she slathered her tits with cream and got me to fuck her in between them. My cock was engorged, red and glistening with wetness, so she couldn't resist a suck on it. But as the friction built, I just went back to screwing her boobs until I was shooting my muck again, all over them and into her open mouth. I watched it run down over her tongue and then down into her throat.

My wife was sleeping when I went back in the room, although I woke her with a guilt-fuck the following morning. It's a good thing Letitia didn't stick around for breakfast – my hard-on would've punched a hole in that glass table if I'd had to sit looking at her tits over coffee!

It's the only place to find all of your bum banter and tales of backdoor fun – every month!

MAID TO PLEASURE

Ever since I watched a porno film with some of my friends at college about five years ago, I've had one sneaky fantasy that I never really thought I'd ever fulfil. In the film there was one scene in which a blonde girl started off sucking a couple of guys' cocks, and as soon as she started I felt my pussy moisten as the sheer naughtiness of it turned me on, and by the end of the scene she had one cock screwing her arse while the other was ploughing into her pussy. The whole scene had got me so horny that, if it hadn't been for my group of friends there, I'd have been frigging myself off there and then. As it was, as soon as I got to my room I had to relieve the tension by ramming my favourite dildo into my sodden snatch until I came all over it.

Memories of that scene have provided me with some of my best wanking fantasies, but last week I finally went one better...

I'd been roped into being bridesmaid at one of my old college friends' wedding, but thankfully she hadn't made me dress up in

some ridiculous great outfit – in fact the dress was nicely understated, although I have to say I think it looked better on me than the one on her 12-year-old sister, who was the other bridesmaid.

Anyway, the wedding was a pretty small affair, and about the only thing unusual about it was that the groom had two best men – both old friends he'd been to school with. They were both really nice guys, and I'd be lying if the thought about the tradition of bridesmaids getting off with the best man (I didn't really mind which!) hadn't crossed my mind a few times throughout the day.

After having danced with both of them a bit at the disco that evening, I got the distinct impression they were both interested in taking things further, and, given that the other bridesmaid was only a kid, I started to feel a bit sorry for whichever one of them was going

before huge grins suddenly spread across their faces – it was obvious they were up for it, and as the realisation of what was about to happen dawned on me, I felt my pussy suddenly flush with hot juices. There was no going back now...

Once we got up to my hotel room, the guys looked at each other again, and it became clear I was going to have to take charge. Kissing Michael, then Jack, I gave their crotches a rub through their trousers, and could tell their pricks were starting to respond to the situation. Keen to re-live my fantasy scene as closely as possible, I told the boys to undress, while I did the same. They did so, clearly a little self-consciously, but within a couple of minutes I was presented with the sight of these two men

“At last, I thought, I've got two hard cocks inside me!”

to miss out. Then, as I sat chatting to them both about how the day had gone, my old fantasy suddenly flashed into my head. Surely I'll never have a better opportunity than this, I thought.

As we were chatting late into the night, Michael, who was taller and had lovely dark brown eyes, turned to Jack and said, “It's a real shame there's only one of her and two of us!”

Jack nodded in agreement. “Well, she'll just have to choose, I guess,” he said. “May the best man win!”

Taking a swig of champagne, I looked from one to the other of them a few times before grabbing the bull by the horns. “What if I choose you both?” I finally asked.

They looked at each other, blankly, not really knowing what I meant. After another gulp of the fizz I continued: “I've always wanted to try it with two boys at once. Think you could manage that?”

They looked at each other again,

standing in front of me, their semi-erect pricks poking out in front of them.

Again taking my cue from the film, I knelt down in front of them and began to stroke their cocks, teasing them to full size before leaning forward and planting a kiss on the tip of each one. Pulling the two cocks closer, I ran my tongue over the helmets, swirling it this way and that in a figure of eight before sucking them both into my mouth. It was a pretty tight fit, but the salty taste of these two cocks was electrifying, and I grabbed hold of the two shafts, wanking them gently while I continued to suck on the ends.

Then, leaning back, I looked at them again for a moment – Jack's was definitely thicker, I thought, so that one can stick to my pussy! Standing up, I led them by the cocks over to the bed. I got Jack to lie down and, climbing on top of him, took hold of the base of his fat shaft and lowered myself down onto him. It had been a while since my last fuck, and the feeling as his hot meat filled me up completely was delicious. For a moment I remained still, savouring the feeling of his prick inside me, and

my tightest hole.

"Oh God!" I gasped involuntarily as the sensation of having a cock inside my bum coursed through me, but no sooner had I started to get used to it than Jack was positioning his prick in front of me, ready to feed it back into my hungry pussy.

"Come on then, fuck me!" I ordered, looking him straight in the eye, and he smiled back as I felt the tip of his tool start to slide between my moist pussy lips. At last, I thought, I've got two hard cocks inside me!

Before long both were buried balls-deep in my two hungry holes, leaving me barely able to catch my breath before, with slow, firm thrusts, Jack started to screw me again. At the same time Michael started ramming into my arse, and within a matter of seconds I found myself overcome by the most intense wave of pleasure I've ever experienced. Holding on to Jack's shoulders, I pulled him towards me, grinding my pussy and arse down onto their poles as an uncontrollable climax jerked through me, sending me into spasms of delight as the memories of that film and all those wanks it had inspired came flooding back to me. On and on it went, with tingles shooting all over my body from these two hard cocks, which were still buried deep inside me.

At long last the waves of pleasure started to subside and I came to my senses, while the guys started up again, slamming their cocks

into me frantically while I urged them on. "Oh yes, that's it, fuck my holes!" I gasped as they gave me all they had.

As Jack continued to hammer away I felt Michael suddenly tense up, and then I could feel it, his prick pumping his spunk into my rectum, filling me with his creamy seed. I don't know whether Jack could feel it as well, but after a couple of final thrusts he pulled his thick prick out of my sodden snatch and, after giving it another stroke or two he fired a wad of his sperm all over my quivering pussy, drenching it with seven or eight jets of his sticky mess before he was finally done.

We were all exhausted, and it took ages before any of us could speak. Finally I heard Michael gasp "Wow! That was amazing!"

It certainly had been, and I stayed where I was for another minute or two before I lifted myself off him, his now shrinking cock slithering out of my well-used bumhole as I did so.

"I've always wanted to try that, guys, so many thanks!" I smiled.

"Any time!" Jack replied, and while I haven't taken them up on the offer again, I've got their numbers, and I haven't ruled out the possibility!

Maria, Cumbria

THE BOTTOM LINE

I work in a small team of salespeople, selling advertising space in a national magazine, and, as you can probably imagine, things have

been pretty hard going for the last few months. Lots of firms are having to tighten their belts, and unfortunately the advertising budget seems to be one of the first things out of the window.

A couple of month ago, things were so bad our team leader, Lucy, gathered us together for a meeting, and told us that there'd be an extra special prize for whoever performed the best in the following month. We tried to find out what it was, but she wouldn't let on, but as we left the meeting I caught her looking at me strangely, and it struck me that this might be a challenge worth winning. Lucy's only a couple of years older than me – in her mid-20s – and has always been an object of desire amongst us guys in sales. I mean she's always looked very businesslike, but you could tell that, underneath it all, she's clearly a beautiful woman, with dark blonde hair and a perfect little figure.

Anyway, in the month that followed I tried all the tricks in the book to make sure I closed

then I beckoned for Michael to come round so I could get his cock in my mouth again.

As I set to work once more on Michael's prick, Jack put his hands on my hips and began grinding into me, clearly wanting to take his time rather than start slamming away too soon. This was fine by me – I wanted this experience to last, and after five years of fantasising the last thing I wanted was for it all to be over in a couple of minutes.

Knowing what I had in mind for Michael, I made sure I gave him the sloppiest blow-job I could, slurping all over his tool and giving it a thick coating of saliva before taking it into my mouth and caressing it with my tongue. I heard him moaning as I continued my work, flicking his helmet and taking as much of him as I could into my throat before pulling him out again and licking every inch of his glistening pole.

Thanks to Jack's prick in my pussy, I soon started to feel the approach of an orgasm, so, taking Michael's cock out of my mouth one final time, I looked up to him and asked, "How would you like to stick that thing in my arse?" He didn't need asking twice, and quickly got into position behind me, desperately trying to line the tip of his slippery prick up with my wanton hole.

"Er, I'm not quite sure how I'm going to do this," he said, after trying unsuccessfully to spear my bum whilst perching himself on the single bed above me.

"I know," said Jack, pushing me off him and instructing Michael to lie down on the bed. This he did, and Jack turned me round, so I was now facing him. Getting the idea, I reached behind and, holding onto Michael's oily pole, I lowered myself down, tentatively guiding the tip towards my bum before, with a spine-tingling final push, I felt him slip inside

as many deals as possible, staying late, getting in early, making bargains over repeat offers and so forth, and by keeping tracks on my colleagues, I knew I was ahead of the pack. Sure enough, come the end of the month, Lucy announced I was the winner. "Come into the office tomorrow morning," she said, "and you'll find out the prize."

Well, the next day was a Saturday, but I didn't have anything planned, so I was happy enough to go in – especially as I was desperate to find out what Lucy had up her sleeve. When I got in she was the only one there and she asked me into her office. She wasn't wearing her customary suit; instead she had on a tan skirt and a tight white top. She looked stunning.

"So what's my prize?" I asked, looking her up and down as she leant against the front of her desk and praying it wouldn't be something shit like a £50 bonus.

"What would you like it to be?" she replied, looking me straight in the eye.

Should I go for it? I'd always tried to avoid workplace involvements before, but as my cock gave an involuntary twitch I knew I had to try my luck. Surely I couldn't be mistaken about all the sexual tension that was filling the room? "Well," I replied, "there is one thing in here I'd really like to have..."

Lucy continued to look at me quizzically. "You'd better hurry up and take it, then," she replied, after what felt like an age.

Standing up, I walked across to her and kissed her, half panicking inside in case I'd totally misread the situation. Luckily I needn't have feared. Lucy clamped her mouth over mine and pushed her tongue deep into my mouth. We snogged like this for a while before she suddenly pushed me back.

"You're good with your tongue," she said. "Now could you use it on this?" And with that she leant back against the desk again, hitched up her skirt and revealed the most inviting cunt I think I've ever seen. It was the sort of invitation I never refuse!

Lifting her up and sitting her on the desk, I pushed her firm thighs apart and set to work on her beautiful cunt, nibbling and lapping at the slippery petals before gently pushing the tip of my tongue deeper inside, savouring her sweet nectar as she gasped and panted above me. She was streaming wet, and I was desperate to get my cock buried in her juicy slot.

Standing up, I yanked open my jeans and pulled out my prick, which was straining at the leash. I was just lining up the tip with the entrance to her love-tunnel when she suddenly put a hand on my chest and stopped me.

"No, not like that," she said. I must have looked a bit bemused, because she went on to explain. "I want you to fuck me in the arse.

I want to feel your dick inside my bum." With that she stood up and turned round, leaning forwards over the desk and presenting me with a perfect view of her peachy rear. Well, if she wanted it in the bum, in the bum it would be!

Scooping up a handful of her copious pussy juices, I smeared a load around her puckered little bumhole, sneaking a finger inside (and making her gasp again) to make sure it was nicely lubed up. Then I smeared a load more of her pussy juice over my throbbing dick and, when it was good and oily, I leant forward, holding the tip downwards as I pushed it

"Suddenly I saw her rosy sphincter relax and my cock slid inside..."

against her tight hole. Lucy braced herself and began to push back, clearly desperate to get her bottom filled, and as I pressed forward suddenly I saw her rosy sphincter relax and my cock slid inside.

"That's it!" she wailed. "Now fuck my arse!"

I had no intention of doing otherwise, and, placing both hands on her beautifully rounded arse cheeks, I deliberately pulled back, until the ridge of my helmet made her little starfish bulge, before driving it back into her, forcing the breath from her body as I did so.

Just then the reality of the situation dawned on me. "Fuck me!" I thought, "here I am screwing Lucy in the arse, right over her desk!"

As soon as I'd had the thought I realised I wouldn't be able to hold back for long, so desperate to take my mind off things, I started trying to remember all the deals I'd closed over the month! At the same time I slowed the pace right down, until I was fucking her almost casually, sliding the whole length of my prick in

and out of her tight bum like I had all the time in the world.

"Oh, that's so nice," Lucy kept moaning, "so nice!" And she wasn't wrong! The way her taut ring was massaging my cock with each thrust was incredible, and it couldn't have been long before I gave up all pretence of pacing myself, and started to really slam into her.

"That's it – fuck me!" she gasped again, urging me on. I could feel the bulge of her pussy with my balls every time I slammed into her, and in the end I think it was this that set me off. As soon as I felt the sap rising I pulled out, just in time to see a thick spurt of my come splash over her gaping bumhole. Several jets of the stuff followed, some of it actually trickling into her bum, the rest splashing over her arse and running down to her pussy, where I noticed Lucy had one hand, grinding her clit frantically as her own orgasm ripped through her.

Once we'd got our breaths back and tidied ourselves up I looked up at Lucy. "I'm fucking glad I won!" I couldn't help grinning.

"So am I," replied Lucy. "If it had been anyone else, they'd have just got a weekend at a health spa!" and with that she produced some vouchers from her desk drawer for a rather exclusive place just out of town. "I've had my eye on you for ages," she went on, "and I had a feeling you'd rise to the challenge."

I wasn't sure exactly which challenge she meant, but I've been rising to it pretty regularly since then – and we're off to that spa next weekend, where I reckon I'll be rising to it a few more times!

LISEN UP! ♣

RIGHT UP ANGEL'S FANNY, THAT IS...

We like nothing more than sitting back on the sofa with a Hofmeister (or similarly topical beer) and watching Angel Dark getting cock in a Euro porn movie. It's one of life's richest pleasures. But watching her get her tuppence licked by Lisen runs it pretty close.

Angel seems to enjoy minge as much as meat, from what we can tell, and she tucks into Lisen's juicy box with relish. We haven't seen Lisen get dicked yet – we're reserving a special can of Harp for that night in – but we reckon that when we do, she'll be a multi-orgasmic mess, seeing as how she gets set off with more or less every flick of Angel's tongue.

We offered to put some sausage in their sandwich, but they made their excuses and left. Out the window... ♣

JANA

A woman with long brown hair, wearing a black and yellow striped top and yellow lace underwear, is posing in a kitchen. She is sitting on a stool, with her legs spread wide, and is holding the edges of her underwear. She is smiling and looking at the camera. The background is a kitchen with orange walls and cabinets.

FLOWER PLOUGH HER!

Jana loves 60's style. We love her pink bits. Everyone's happy...

PHOTOS: A HAYEK

The way Jana dresses – let's call it her personal homage to the 60's – you'd think she was a throwback. But this girl has a thoroughly modern attitude when it comes to sex...

"They say the 1960's was a time of sexual experimentation, but I don't think they had bukkake films back then," she tells us. "Whereas I've got about 6 in my porn stash that I want to when I'm feeling really horny. And I know they supposedly invented swinging, but I haven't heard much about them teabagging balls and doing DP's, which are in all my favourite porno films."

We should build you a time machine and send you back to teach them.

"I'd love that. I love the music of that period, and I really adore the fashions, but I need to teach them how to shave their fannies and fuck like someone from the future! ♣
